## INDEPENDENT AUOITOR'S REPORT

TO THE BOARD OF DIRECTORS  
TAURUS INVESTMENT TRUST COMPANY LIMITED

### Report on the Financial Statements

We have audited the accompanying financial statements of **Taurus FMP 397 Oays Series O** (the Scheme) of **Taurus Mutual Fund** (the Fund), which comprise of the Balance Sheet as at March 31, 2014, the Revenue Account for the year then ended, the Cash Flow Statement and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Managements of Taurus Investment Trust Company Limited (the "trustee") and Taurus Asset Management Company Limited (the "AMC") are responsible for the preparation of these financial statements that give a true and fair view of the Balance Sheet, the Revenue Account and the Cash Flow Statement of the scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 (the Regulations) and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Scheme's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Regulations and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a. in the case of the Balance Sheet, of the state of affairs of the Scheme as at March 31, 2014;
- b. in the case of the Revenue Account, of the surplus of the Scheme for the year ended on that date; and
- c. in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

**Report on Other Legal and Regulatory Requirements**

We further report that:

- a) we have obtained all information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit;
- b) the Balance Sheet, the Revenue Account and the Cash Flow Statement referred to in this report are in agreement with the books of account of the Scheme;
- c) the financial statements have been prepared in accordance with the accounting policies and standards, as specified in the Ninth Schedule of the Regulations;
- d) in our opinion, valuation methods for Non Traded Securities, adopted by the scheme are fair and reasonable and are in accordance with the guidelines for valuation issued by SEBI and approved by the Trustees.

Schedule F

Significant Accounting Policies and Notes to Accounts (Annexed to and forming part of Balance Sheet as at March 31, 2014 and Revenue Account for the period ended March 31, 2014).

Significant Accounting Policies :

a) Method of Accounting

The Schemes maintain their books of account on an accrual basis of accounting. The financial statements of the schemes are prepared in accordance with the accounting policies contained in the Ninth Schedule of the Securities & Exchange Board of India, Mutual Fund Regulations, 1996 ("SEBI MF Regulations"). The format of the financial statements is as per the Eleventh Schedule of the SEBI MF Regulations. As required by Accounting Standard 3 relating to Cash Flow Statements, the same have been prepared for those schemes whose units are either listed on the stock exchange or whose income in the previous accounting year exceeded Rs 50 crores. Further, the cash flow statement has been prepared as per the indirect method.

b) Portfolio Valuation

Valuation of investments has been done on the basis of fair valuation i.e., the valuation shall reflect the realisable value of the securities. The Boards of the AMC and the Trustee Company have approved the valuation policies and procedures to determine the fair value of all securities. These policies and procedures are in accordance with the Eighth Schedule of the SEBI MF Regulations. The broad principles used for the valuation of different securities are mentioned below:

Upto September 18, 2013	From September 19, 2013 to November 4, 2013	From November 5, 2013 to December 25, 2013	From December 26, 2013 onwards
<b>Debt &amp; Money Market Securities including Floating rate Instruments :</b>			
<b>If security maturity is greater than 90 days</b> If traded - Weighted average price reported on Public Platform (Finmda, NSE-WDM, BSE-WDM, Own Trades) If not traded - price arrived using benchmark yield supplied by CRISIL and ICRA	<b>If security maturity is greater than 60 days</b> If traded - Weighted average price reported on Public Platform (Finmda, NSE-WDM, BSE-WDM, Own Trades) If not traded - price arrived using benchmark yield supplied by CRISIL and ICRA	<b>If security maturity is greater than 60 days</b> These securities are valued as per the average of the prices computed by CRISIL and ICRA	<b>If security maturity is greater than 60 days</b> These securities are valued as per the average of the prices computed by CRISIL and ICRA
<b>If security maturity is upto 90 days</b> Whether or not traded - Amortisation basis with reference to the cost or the last valuation price, whichever is more recent. The amortised price is compared with the price computed using the benchmark yields. To ensure fair valuation of the security, the amortised price is kept within +/-0.10% of the price derived using the benchmark yield.	<b>If security maturity is upto 60 days</b> Whether or not traded - Amortisation basis with reference to the cost or the last valuation price, whichever is more recent. The amortised price is compared with the price computed using the benchmark yields. To ensure fair valuation of the security, the amortised price is kept within +/-0.10% of the price derived using the benchmark yield.	<b>If security maturity is upto 60 days</b> Whether or not traded - Amortisation basis with reference to the cost or the last valuation price, whichever is more recent. The amortised price is compared with the price computed using the benchmark yields. The amortised price is compared with the price computed using the benchmark yields. To ensure fair valuation of the security, the amortised price is kept within +/-0.10% of the price derived using the benchmark yield.
<b>Central Government, State Government Securities and Treasury Bills :</b>			
Investments in Central Government Securities are valued at the Average price of CRISIL & ICRA.	During this period, government securities with maturity upto 90 days were valued on an amortisation basis as mentioned above for debt and money market securities with upto sixty days to maturity. Securities with maturity of more than sixty days were valued at average prices provided by CRISIL and ICRA.	During this period, government securities with maturity upto 60 days were valued on an amortisation basis as mentioned above for debt and money market securities with upto sixty days to maturity. Securities with maturity of more than sixty days were valued at average prices provided by CRISIL and ICRA.	After December 26, 2013, the valuation of Treasury Bills and Cash Management Bills carried out as per the process mentioned above for debt and money market securities depending on their maturity date. The valuation of Central and State Government Securities was changed to average prices provided by CRISIL and ICRA irrespective of the maturity of the security.

Non-Traded/Minimally traded debt and money market securities are valued at fair value by the Board of the Asset Management Company, in accordance with the guidelines for valuation of securities for mutual funds, as issued by SEBI and approved by the Board of the Trustee Company as given below:

iv Non-Investment grade performing debt securities are valued at a discount of 25% to the face value.

iv Non-Investment grade non-performing debt securities are valued net of provisions.

iv Investments to Collateralised Borrowing and Lending Obligation (CBLO), bills purchased under rediscounting scheme and short-term deposits with banks are valued at cost plus accrued.

c) Investment Transactions

Investment transactions in equity and debt securities are accounted on trade dates. The cost of acquisition includes the cost of purchase, stamp duty, securities transaction tax and charges customarily included in the broker's bought note. These costs are capitalised to the extent of 0.12 percent of the net of investment. Expenses over and above this limit are charged to the Scheme as revenue expenditure. In respect of privately placed debt instruments, front-end discount is reduced from the cost of investment.

d) Recognition of Revenue and Treatment of expenses

i. Interest is accrued on a day-to-day basis, except for debt classified as non-performing assets, on which interest is recognised on receipt basis, in line with applicable regulations. In respect of interest bearing investments, interest paid at the time of purchase for the period from the last interest due date upto the date of purchase is debited to Interest Recoverable Account and interest received at the time of sale for the period from the last interest due date upto the date of sale is credited to Interest Recoverable Account.

ii. If the interest is not received after the expiry of the 1st quarter from the date the income has fallen due, no further interest accrual is made on that asset. In case of NPAs, provision is made for income accrued but not received within the time period specified by SEBI.

iii. The net unrealised gain/loss in the value of investments is determined separately for each class of investment. Further, the change in net unrealised gain/loss, if any, between two balance sheet dates, is recognised in the Revenue Account.

iv. Profit or loss on sale or redemption of a security is computed by comparing the sale price with the weighted average cost of that security.

v. Marketing and incidental expenses incurred in connection with the subscription / redemption of the units are charged to the respective schemes and common marketing expenses are allocated to all open ended schemes in proportion to the unitholder folios in each scheme or in accordance with the expense allocation policy. Expenses incurred in excess of the regulatory limits are borne by the AMC. With effect from October 1, 2012, exit load charged to customers is recognised as an income of the scheme after deducting there from, applicable service tax and cess.

vi. Registrar expenses common to the fund have been allocated in proportion to the monthly number of transactions and other common expenses have been allocated in proportion to the number of unitholder folios / Net Assets of the respective schemes as at the previous month-end.

g) Determination of net asset values

i. The net asset value of the units of the scheme is determined separately for units issued under the different plans / options.

ii. For calculating the net asset values under different plans / options, the amount of sale/repurchase of units under each plan / options are separately accounted. Further, net income arising from deployment of funds is allocated daily to the plans / options in proportion to their Net Assets.
